श्री अश्वनी वैश्रव जी

This is with reference to a BG Line between Dhampur (Uttar pardesh) and Kashipur (Uttarakhand) via Jaspur (Uttarakhand) copies of the earlier communication are attached herewith for your ready reference, In this connection I have received a letter from shri Piyush Ji, then railways minister, regarding formation of a Joint Venture (JV) Company for development of mutually identified Rail Projects. Due to severe financial constraints the Government of Uttarakhand is not in a position to bear the project even in partial.

In this regards when discussing various development issues with shri Vinay Ruhella Vice Chairman of state Planning Commission, it is learned that this rail project is much needed for overall development of the region especially the Kumaun Region of Uttarakhand. This rail project not only brings people closer and together, but also it paves way for the upliftment of tourism scenario of Devbhumi Uttarakhand.

But unfortunately, as we are a relatively new state and suffer from huge financial insecurity, we are unable to afford even for a joint venture. Therefore, Humbly requesting the Government of India to bear the whole amount for the project and make our dream a reality.

Yours sincerely,

(Pushkar Singh Dhami)

Shri Ashwani Vaishnav Ji,
Hon'ble Minister of railways,
Government of India,
New Delhi

Respected Sir,

This is with reference to my earlier communication to Shri Nitin Gadkari Ji regarding construction of a new BG Rail Line between Kashipur and Dhampur via Jaspur in Uttarakhand. Copies of the earlier communication are attached herewith for your ready reference. In this connection Shri Piyush Ji had written a letter to the CM of Uttarakhand and UP regarding formation of a Joint Venture (JV) Company for development of mutually identified Rail Projects. Due to severe financial constraints the Government of Uttarakhand is not in a position to bear the cost of the project even in partial.

This rail project is much needed for overall development of the region especially the Kumaon Region of Uttarakhand. This rail project not only brings people closer and together, but also it paves way for the upliftment of tourism scenario of Devbhoomi Uttarakhand.

But unfortunately, as we are a relatively new state and suffer from huge financial insecurity, we are unable to afford even for a joint venture. Therefore, I humbly requesting the renowned Government of India to bear the whole amount for the project and make our dream a reality.

With regards,

Yours

Vinay Ruhella

Shri Ashwini Vaishnaw
Hon'ble Minister of Railways
Govt of India, New Delhi
